Areas of Learning	In the Early Years, we focus on and teach knowledge and skills in a cross curricular way. This means that each week we provide our children activities to meet their individual needs and do this through our core text. Some texts lend themselves to an area of learning more and we've highlighted these below.					
	PSED The Natural World	The Natural World People, Culture and Communities	People, Culture and Communities Past and present	The Natural World	Past and Present	The Natural World
