Attendance and Punctuality

Curriculum

In History and Geography this term we will be learning about our local area and Hemel Hempstead.

In art we will be using sketching techniques, looking at famous sketches by Leonardo Da Vinci and recreating some of his famous work.

In science we are learning about animals, including humans. We will specifically be looking at movement and feeding (i.e. healthy eating).

In DT will be exploring mechanisms, specifically pneumatic toys. We will be making our own pneumatic toy.

Reading

Your child will be expected to read their school reading book at least three times a week at home, but ideally every day.

An adult needs to fill in their reading record every time they read.

Children's book bands are determined by in school assessments.

Books will be changed at the discretion of the class staff as children need to be able to read the book fluently first.
